75th Annual
Alumni Anniversary

Carl Hays

1976

*75th Annual
Alumni Anniversary*

With many thanks and much appreciation, we, the Alumni officers of 1976, under the sponsorship of the Alumni Association, have prepared this little book for you. To those of you who were instrumental in providing information for us, we are forever grateful. To the Stafford Courier for their time and patience in showing us how to work the machines so we could get this booklet ready to print, we thank you. And to all of you who purchased the booklet, making all our endeavors worthwhile.

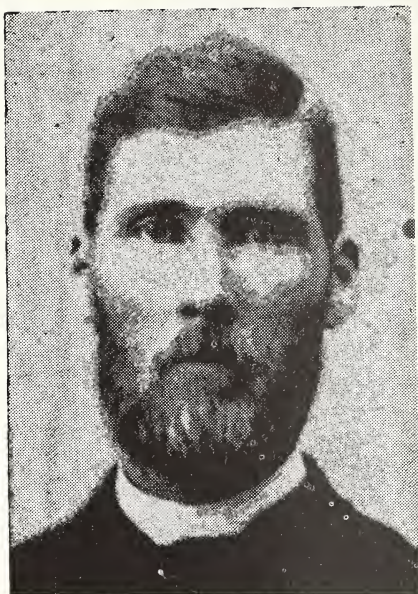

Digitized by the Internet Archive
in 2014

DEDICATION

Dear Alumni.....

This 75th Annual Alumni Anniversary booklet is humbly dedicated to all those who have graduated from the halls of old Stafford High

First Superintendent H. J. Bell, 1888-1890

Present Superintendent Marvin D. Cooper, 1967- ----

SCHOOL BOARD

1890—1891

President..... W. F. Mershon
Secretary..... E. S. Hadlock
Treasurer..... A. E. Asher

1940—1941

President..... F. W. Tretbar
Secretary..... P. B. Ardrey
Treasurer..... E. E. Boyd

1975—1976

President Merlyn Hoskinson
Vice President..... Ralph Fortner

ALUMNI OFFICERS

1891—1901

President	Harvey Sherman Crawford	1891
Vice President	John W. Wallace	1891
Secretary.....	Mattie Phillips	1891
Treasurer.....	E. Guy Carey	1891

1940—1941

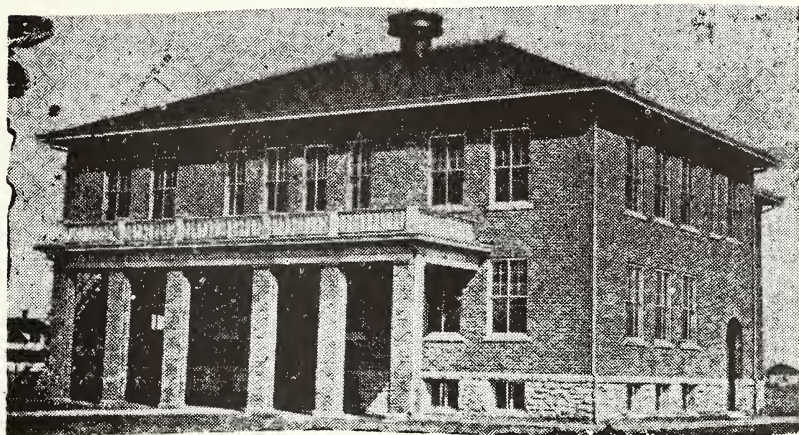

President.....	Harvey Sherman Crawford	1891
Vice President.....	Harvey Fritzemeier	1931
Secretary.....	Amy Russell Kelly	1913
Treasurer.....	P. B. Ardrey	1913

1975—1976

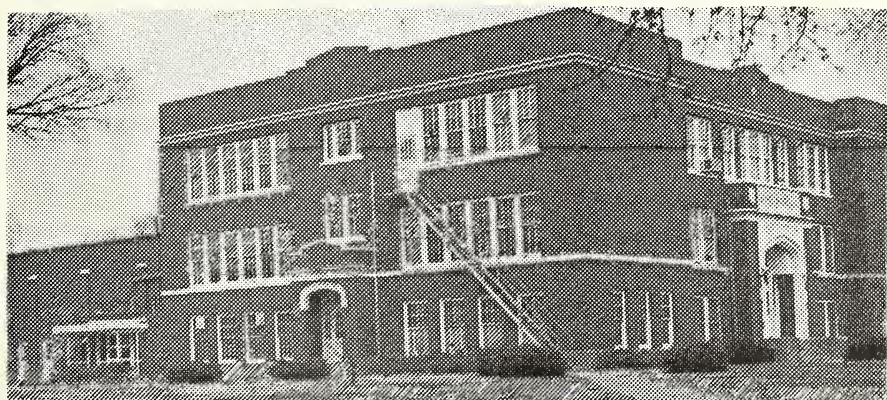

President.....	Connie McCune Eisenhower	1964
Vice President.....	James L. Richardson	1966
Secretary.....	Pam McAfee King	1966
Treasurer.....	Verna Weigand Taylor	1964

Stafford's First Brick School Building 1887

Once the High School and Junior High 1908

Our Present High School Building 1916

INTERESTING FACTS OF STAFFORD SCHOOLS

The first class graduated from Stafford High on May 22, 1891 at the old Methodist Church. After the program the class members were entertained in the home of the principal, Prof. C. H. Woodward on North Park Avenue, and at this time the Stafford High School Alumni was organized.

School history, in the city of Stafford, goes back of that graduation date several years, and shows from the start, the process of growth and development that characterizes our schools today. The first school was a summer term, taught by a French-Canadian, Jim DeGolly, in the summer of 1878. School sessions were held in a sod house which stood approximately next door to the present city office building, with twelve pupils in attendance.

In 1888, H. J. Bell, who was then serving his second year as principal, organized the first high school, a three year course from which the class of 1891 graduated. In the spring of 1890, Mr. Bell left Stafford and Mr. C. H. Woodward graduated the class.

For several years afterward there was no high school graduation, though high school subjects were taught when desired.

In 1906, a four year high school course was offered for the first time. The first class to graduate from the four year school was in 1908.

In 1908 the high School faculty reached the unheard of number of five teachers, including a teacher of expression who was not a full time teacher. Also a commercial course was offered the year of 1907-1908 for the first time. The school at that time had an athletic association, a Literary society, and orchestra or band, girls' and boys glee club, and they published an annual, the first "Staffordonian".

The first basketball team was organized in 1908 and played two games with Partridge, losing one and tied one.

In 1880, a one room frame building was built on the block where the present high school building stands. It had the usual bell tower and was enlarged by the addition of a second room in 1882. In 1887, a two story, four room brick building was erected just north of the old two room frame building. This modern building boasted not only the customary bell tower, but a basement and furnace. This was enlarged by the addition of another similar wing in 1901, also containing two stories and four rooms, with cloak rooms and large entrance hall, making an eight room school house.

In 1908, E. C. Kittell came as superintendent and the new "East Side" school building was built. The first year this building was used for a part of the grades, giving more room for the high school in the old house. In the summer of 1909, a north wing was added to the new school building.

In 1910 the Hi-Y was organized, though at that time it was called a high school Y. M. C. A.

In the spring of 1913 the first inter-school debate was held.

In 1913 a new building was again necessary after being badly damaged by lightning. And so the old eight room brick building, that had replaced the original frame structure, was torn down to make way in turn for a very new high school. The building was not completed until some time during the school year of 1916-1917, the move from one building to the other being made at mid-year. The class of 1917 was the first to graduate from the new building, but the class of 1918 was the first to complete a full year and graduate.

Courses had been and were being added and more teachers secured to care for the increasingly larger enrollment. The new building was also of brick, two stories above a semi-basement, and class rooms, lockers, laboratories, assembly room, library, office space, music room and gymnasium were all incorporated in a building thought, with its seventeen rooms, to be adequate for a number of years.

The year of 1919-1920 was the beginning of the Alpha Club. Its members must have grades of two A's and nothing less than B. The purpose is to encourage high scholarship and show honor to ability and industry.

In 1926, Frank L. Irwin came as superintendent of school and served in that capacity until 1946. During the years he was here the growth of the schools continued to change. In 1937, the buildings again became so crowded, and expansion was necessary. For some years we had been having what was as nearly as possible a Junior High School. The seventh and eighth grades were given departmental instruction, but due to the lack of room they were forced to remain in the grade school building and the ninth grade in the high school. So bonds were voted for quite extensive changes. A new grade school was built, to be known as Central School. This was built along the latest lines and thoroughly equipped for teaching the first six grades, a kindergarten and a special room. It also has a well equipped play ground back of the building.

The old East Side building was again remodeled and became a modern Junior High School building. Here the seventh, eighth, and ninth grades were taught in a group much more consistent with their requirements.

At the Senior High School the gymnasium was enlarged and made to do double duty as an auditorium for large school affairs. A stage in one end with dressing rooms, outside entrances, and storage facilities for properties made it ideal for all school and community plays or entertainments. The music rooms were also housed here, far enough away from the class rooms as to allow lessons and practice to be conducted at any time without interfering with other classes.

In 1907-1908, the school boasted of three courses. They were a Commercial course, College Preparatory, or Classical course, and an English course. Today courses are almost unlimited.

In 1941, most students carried four subjects per year, with sixteen credits being the number required to graduate. In 1976, forty-eight units were offered in the high school. Most of the students carry $5\frac{1}{2}$ and $6\frac{1}{2}$ per year, with twenty credits being the number required to graduate. There are thirty-four administrators and teachers employed by the school from kindergarten through grade 12 this year, 1976. The high school enrollment for 1975-1976 was 142 students. Upon graduation of the class of '76, Stafford will have graduated over 2900 students.

In 1943, S. H. S. was a member of Southwest Kansas League. We withdrew in 1948 and became members of the West Central Kansas League. In 1956, Stafford became members of the Central Prairie League. The school stayed in that league until 1969, when we then became part of the Mid America League. In 1975, Stafford was again added to the Central Prairie League.

Mr. "Rube" Bowman was coach of the Stafford High football team from 1942-1945. Those four years were very impressive ones. In his first year he placed the Trojans in 2nd place in the Southwest Kansas League losing only to Dodge City.

In 1943-1944, his teams won the league championships. In 1945 his team was a young and green squad. Although not a contender for leadership, his team was a threat in every game. On Thanksgiving Day in 1945, Stafford had a surprise win over Ellinwood. Ellinwood had an unbroken string of 38 consecutive victories.

Stafford upset Ellinwood that day 13-0. In 1945, Mr. Bowman retired from coaching but continued to teach in the Stafford Schools until 1971.

In 1948, Vince Peters coached the Trojans to an 8-1 record. The following year another 8-1 record was attained. In 1950, a record of 8-0 made three consecutive league championships possible for the Trojans.

In 1950, S. H. S. missed being State Track champs when they were beaten by Kingman by .7 of a point. Stafford won the State Championship in 1950 and the following year tied with Hays High for first place.

It was during this same period that S. H. S. won state championships in Debate five times and placed second two times.

In January 1950, the Senior High building was forcibly entered on a friday night following a basketball game. Supt. Wedelin reported that about \$75.00 was taken. A larger sum, the gate receipts of the basketball game, was overlooked.

Beginning with the second semester 1950, a Drivers Education course was instituted. A specially equipped Chevrolet was furnished by Johnson Motor Co.

In October 1950, the Senior High Band of 73 members under the direction of Alvin Reimer, left Stafford at 7:00 A. M. and traveled by Continental busses to participate in the Annual Band Day at Emporia Teachers College.

In 1954, the present day Intermediate building was built. It was built around the old Junior High building. It held grades 4 through 9, a large gymnasium, lunch room, and a multi-purpose room. While this building was being built, school was still held in the old Junior High School. At this time also a Vo-Ag and Shop building was put up. The old gym was converted into the present day Auditorium. A new kindergarten room was also built at this time.

In 1961, the school acquired two school busses and had two bus routes. Presently, in 1976, there are eight busses and two vans. They are running six routes, and two special routes, employing six drivers.

In 1967, the High School office was remodeled, and a new counselor's office was added. Also at this time the High School Wrestling Program was started under the coaching direction of Mr. Jim Christensen.

In 1968, the annex was built adjacent to the High School. It houses the music room and a gym for wrestling and Physical Ed., so classes do not have to be bused to the Jr. High gym.

In 1969, the school acquired a new teachers lounge, built from an old storage closet. The school Library was moved across the hall to the typing room, and the typing room to the old Library room.

In the late 60's, the Hi-Y and Y-Teen groups were replaced by the Kay's and Kayettes. In the early 70's the Kayettes were dropped.

In the late 1950's, Stafford High had its first dress code--boys had to wear belts. In the late 1960's, boys had their first hair code. By the early 70's, girls could wear pant suits to school, and by 1976, the girls were allowed to wear jeans to school on any day. Through it all, we did not have the protests, walk-outs, and riots of the late 1960's some other schools experienced.

In 1973, a student lounge was added, giving the students earning free periods, a place to go and relax. These free periods are given according to grade average.

In the 70's, girls basketball and track were added.

Miss Josephine Fee was employed by the Stafford Schools the longest of any teacher. She taught forty-three years in our school system, retiring in 1968. She was grade school principal for several years when she first came to Stafford.

Other teachers, still teaching in the Stafford Schools, of long standing are; Mrs. Velda Finney, 29 years; Mr. Kenneth Odom, 21 years; Mrs. Lawrence Simpson, 21 years; and Mrs. Kenneth Odom, 20 years.

In 1966, Ruth McMillan retired after teaching 25 years in Stafford. In 1967, Ollie Knoche retired after teaching 23 years, 7 of those years in the country. Mrs. Knoche did not teach anywhere but her home town of Stafford. Others retiring were Ernestine Partin after 23½ years, Naomi Buckle in 1972, with 24 years, Clarence Hartsell in 1974, after teaching 39 years with 25 of those in Stafford, 1975 Genevieve Clothier after 22 years, and Dorine Sloan taught 22 years in Stafford County. All of the retired teachers mentioned are still residents of Stafford.

Graduated for the past 63 years have worn caps and gowns.

The smallest class was in 1902 with only one pupil. The largest classes were in 1940 and 1942 with 70 pupils graduating.

The Trojan was chosen as our school insignia in 1936.

Those graduates who gave their lives in World War II were:

Orval Algrim
Robert Armstrong
Rolland Ausherman
A. C. Bartlett
Harold Bates
T. F. Branaman
Rex Dellinger
Owen Hawver
Robert Hornbaker
Dale McCune
Daniel Mueller
Lloyd Rose
Keith Smith
Ray Suedekum

Viet Nam Conflict

Amos Sherrill

**BY-LAWS OF THE STAFFORD HIGH SCHOOL
ALUMNI ASSOCIATION**
Revised in 1953

This organization shall be known as the Stafford High School Alumni Association.

The officers shall be President, Vice-President, Secretary, and Treasurer. These officers shall constitute a cabinet and shall be empowered to conduct any business necessary for the care of Alumni affairs, appointing such committees as are needed at any time. One officer of the outgoing Executive Committee shall be elected to the cabinet for the following year.

Members of the Alumni Association shall be graduates of the Stafford High School.

Honorary members shall be husbands or wives (not graduates of Stafford High School) of the regular members, members of the high school faculty and their husbands or wives, who are not regular members of the Alumni Association.

Honored guests at the Alumni reception shall be members of the graduating class, the superintendent of the school and his wife, (complimentary tickets to be issued to them.)

The annual dues shall not be less than fifty cents.

All honorary members are exempt from paying dues and are privileged to attend the reception upon payment.

No one shall be elected to office until he or she has been a member of the Alumni two years.

Books of the Secretary and Treasurer shall be brought up to date within a month after the annual meeting and left at the City Library where the Alumni records will be available from now on.

The by-laws shall be read each year in the business session following the banquet

The colors of the organization shall be red and white.

STAFFORD HIGH SCHOOL SONG

composed by
Adabelle Bonner in 1933

Hail to the spirit of old S. H. S.
We look to her with all reverence
Winner, loser, battle or song,
Old S. H. S. will still march on
With friendship, loyalty and cheer
To serve the school we love so dear
Truth and honor be our goal
In striving for S. H. S.

SCHOOL FIGHT SONG

written by
Harold Waldrum in 1959

On to victory Stafford High
Fight on you Trojans fight
We're here to cheer you all the way
And you will hear us say
Fight - Fight - Fight
On to victory Stafford High
Fight on you Trojans fight
Our alma mater here's to you
Fight on you Trojans fight
